## From Our Head of School: DR. ELINOR SCULLY

Welcome to Langley's 75th Anniversary Auction:  
**Bright Past, Brilliant Future.**

This year is a special one for Langley. Co-Chairs Willow Marr and Ashleigh Rabbitt Sekoski '90, along with their team of volunteers, have worked tirelessly to create a magical evening that celebrates and honors our past, our present, and our auspicious future. I look forward to this annual event that brings our community together and sustains the spirit of generosity that has been a hallmark of Langley since its founding in 1942.

As you review the pages of this catalog, please take note of the many individuals and local businesses who have chosen to support our school. Langley is fortunate to have these partners who have given countless hours of time, donations, and sponsorships. Thank you all for your investment this year.

Our auction is a party with a very important purpose: ensuring that Langley continues to provide an outstanding educational experience for every child in every division. This would not be possible without our tremendous faculty and staff. You will be invited to support them during the "Raise the Paddle" portion of the live auction. Every dollar raised during this part of the evening supports our teachers in the form of professional development, salaries, classroom enhancements, and other benefits that ensure faculty excellence. Our goal is to have 100% participation in this part of the evening. If you won't be able to join us in person, I invite you to consider making a gift online.

I look forward to celebrating together on April 28.

Thanks to you, Langley's future is indeed bright.

## From Our Auction Co-Chairs:

WILLOW MARR & ASHLEIGH RABBITT SEKOSKI '90

This year, we celebrate Langley's 75th anniversary and the school's **Bright Past** and **Brilliant Future!** Langley is both a first-class educational institution and a welcoming community committed to supporting every child, every day through the power of parent/teacher partnership. Exceptional education requires phenomenal teachers, administrators, and staff. Fortunately for all of us, Langley has them in abundance. To these dedicated individuals, we say a heartfelt thank you!

Langley's continuing success is also made possible by an outstanding network of parents, past parents, grandparents, and alumni who continue to give time, talent, and resources, year after year. The generosity of the Langley community is overwhelming. We have seen it firsthand. Thank you for inspiring us with your bountiful support.

We gather together at this year's auction to celebrate our community and to raise funds crucial to supporting Langley's educational priorities. We hope you can attend! However, if you cannot, we hope you will consider "raising the paddle" to benefit Langley's faculty and students.

We are honored to be part of this community. We, and our children, are constantly enriched by our Langley experiences, and we are grateful that you all Live Langley!

This year, the Primary School and Lower School faculty will host separate events for their respective divisions. Both events will take place on Tuesday, May 29 after school. Fun with Faculty spots are \$20 per child. Parents may purchase spots for their Langley student only, not for their child's classmates.

# Bidding Rules & Procedures

## General

Upon arrival at the Hyatt Regency, please visit the registration area in the foyer to pick up event materials and to confirm the credit card on file for the evening.

All purchases are final; no exchanges or refunds on items. All items are sold "as is." Unless otherwise specified, all auctioned items and services are valid for one year from date of event, April 28, 2018. All services must be redeemed by the listed expiration date. Dates and times are as designated or are to be arranged between the winner and the donor at their mutual convenience. It will be the winner's responsibility to check expiration dates and restrictions on his/her items and gift certificates.

Langley is not responsible for certificates/vouchers that are misplaced or lost following receipt. Auction items are not transferable from the buyer to anyone else without the express permission of the donor.

All purchases made the evening of April 28, 2018, will be charged to guests' pre-registered credit cards. Charge transactions will occur the week of April 30, 2018. Should a guest prefer to pay by check, purchase(s) must be paid in full the night of the event. Payment by check may be made at the check-out station. Checks should be made payable to The Langley School.

Check-out will open in the foyer outside the ballroom at 11:00 p.m. To the extent possible, the buyer should take home all items at the end of the evening. Any remaining items must be picked up from Langley's Development Office (Claire Maxted Administration Building/second floor) by Friday, May 4, 2018.

Auction purchases are tax-deductible only to the extent that the amount paid for an item exceeds the fair market value of the item. The fair market value of live auction items is provided based on donors' stated value only. All values are estimates only and are not guaranteed by the school. If any auction item is purchased below the market value, you are not able to claim a deduction.

The Internal Revenue Service requires that the school provide a good-faith estimate of the fair market value of each item purchased in excess of \$75. The school will provide you with a receipt listing the items you purchased and a good-faith estimate of the value of each.

By his or her purchase, the buyer waives any claims for liability against either The Langley School or the donor of the property or services. Neither the school nor the donor is responsible for any personal injuries or damage to property that may result from the use of property or services sold.

Raffle tickets are not tax-deductible.

## Silent Auction

The Greater Giving mobile bidding platform will be used for the silent auction. Registered guests will bid using their smartphones on silent auction items. Bidding will open to all registered persons on Wednesday, April 25. The system allows guests to easily track silent auction items by "following" their activity on their smartphones. Bidding will close at approximately 8:25 p.m. on Saturday, April 28.

## Mobile Bidding Instructions

Event attendees and persons who have registered by "purchasing" a \$0 absentee bid ticket will receive an automated "welcome" text with a personalized URL the week before the event. If you do not receive a text message, please e-mail Shelby Whittier at [tswhittier@verizon.net](mailto:tswhittier@verizon.net).

- After clicking the URL in the text, you can begin searching for silent auction items by number, keyword, or category.
- Select the silent auction item you wish to bid on.
- You can **Bid** the next increment or **Bid More** than the next increment.

- If you choose to **Bid More**, you can choose to set your **Max Bid**. If your max bid is the highest, the system will automatically bid in your favor until you are outbid or until the silent auction closes at approximately 8:25 p.m. on April 28. If your bid is lower than the highest max bid on that package, you will be prompted to enter a higher bid.
- If you are outbid at any point before the silent auction closes, you'll be notified by text message.
- To "watch" a package, select the star icon on the package.
- To view packages you are bidding on, click the menu button and select **Bids**.
- To view packages you are watching, click the menu button and select **Favorites**.
- Once the auction closes, the guest with the highest bid will win.
- Under the **Bids** area, you can check your winning packages.
- Should you need help at the event, "bid buddy" volunteers will be on hand to assist you at registration. There will also be a charging station at the registration area.
- Guests are encouraged to charge their phones before the event.

## Live Auction

The live auction will begin during dinner and will proceed until every item offered has been sold or, in rare cases, withdrawn. The auctioneer reserves the right to open the bidding at a minimum price and reject any bid that is not commensurate with the value of the item. If the auctioneer determines that any opening bid is not commensurate with the value of the article offered, he/she may reject the bid and withdraw the article from sale.

To enter a bid, the bidder raises his/her bid paddle, directing the signal to the auctioneer. An acknowledged bid is a binding offer to purchase the item. The bidding continues until the highest bidder is acknowledged by the auctioneer. In the event of a dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to resell the item in dispute. The bid number functions as a legally binding

signature for your bids at the auction. The purchaser assumes full risk and liability for the item at this time.

Please note that auction items will be awarded to one purchaser only. Winning bids will not be split among participants who may have agreed to pay a portion of the winning bid amount. A winner who wishes to split the payment for an auction item must collect the individual payments to the cashier or accept those payments as reimbursement for the total payment the winner has made.

## Absentee Bids for Live Auction

Absentee bids will be accepted for live auction offerings. If interested in placing an absentee bid, please contact Meg Clute in the Development Office for an absentee bid form. Absentee bids must be submitted by 5:00 p.m. on Thursday, April 26, 2018, to Meg Clute in the Development Office. The form authorizes a designated auction official to bid on behalf of the absentee bidder. At the event's live auction, bids will be made beginning at the initial bid level specified in writing by the absentee bidder, and will continue to be made in the increments suggested by the auctioneer as necessary to maintain the absentee bidder as the highest bidder, up to the maximum bid price established by the absentee bidder.

Absentee bids not meeting the minimum opening bid, missing credit card information, or lacking a valid signature will be disqualified. If the bid is the highest bid, it will be binding. Payment will be due upon notification of the winning bidder.
